

## **OPERATIONS MANAGER**

The East of Ouse, Polver and Nar Internal Drainage Board is seeking to appoint a suitably experienced person to fill the position of District Operations Manager.

The East of Ouse, Polver and Nar Board is part of the Downham Market Group of Internal Drainage Boards. The Board is a statutory public body set up to carry out flood risk and water level management within a 6,677ha. area to the south of Kings Lynn.

The post holder will be responsible for the day to day management of the District and the supervision of the Board's operatives. Previous experience working with plant is desirable.

The post, which is full time and permanent, is based at the Board's Polver Pumping Station and will report to the General Manager. The successful candidate will be required to live locally.

For an informal discussion about the post please contact Andrew Newton on 01353 688296.
